I live and breathe gaming, blending storytelling and strategy to build communities that don't just play— they stay.

Marketing is my game, and engagement is my high score. I find what clicks to create hype-worthy campaigns and unforgettable moments that connect players to the experiences they love.

WORK EXPERIENCE

NILO

2025-2026

I joined Nilo to bring it from zero to hero for an open beta launch. In 6 months, with a team of 3, we created demand for over 20K users without ad spend and iterated on over 100 new product features using community feedback.

PRODUCT MARKETING LEAD (9/2025 – PRESENT)

- Created end-to-end systems spanning product education, technical support, moderation, events, live-ops, referrals, and go-to-market execution
- Produced marketing materials driving 3.1M views and 9.5K organic users during a closed beta
- Prototyped technical implementations of marketing systems using AI-assisted development workflows

REC ROOM

2019-2025

I started as a player, engaging in events and simply falling in love with the community. Soon after joining Rec Room, I created Rec Con, an online convention that brought +120K people together to celebrate the game's milestones. Building on that success, I helped shape Rec Room's identity through Rec Room Original titles (*Showdown*, *Make It To Midnight*, *My Little Monster*, *Run The Block*), brand partnerships (*NBA*, *NFL*, *Mattel*, *Puma*, *TMNT*, *Tokyo Machine*, more), social UGC tools (*In-Game*, *Unity*), and major platform launches (*Xbox*, *iOS*, *Android*, *Nintendo Switch*).

PRODUCT MARKETING MANAGER (9/2021 – 3/2025)

- Directed Go-To-Market strategies for major product updates and platform launches for millions of users, driving adoption of over 150K new users through campaigns
- Partnered cross-functionally with C-suite leaders, engineering, and design to deliver marketing assets aligned with brand strategy and quarterly OKRs, delivering on KPIs that attributed to +16% CCU
- Led and mentored a team of 9 marketing specialists
- Leveraged player insights and community feedback to refine messaging, positioning, and personas

SOCIAL MEDIA MANAGER (2/2021 – 9/2021)

- Grew TikTok to 1M and YouTube to 300K followers with multi-million views per month
- Launched in-game and social-driven events that contributed to 22%+ in revenue growth
- Hired, managed, and mentored a team of content creators

COMMUNITY SUPPORT SPECIALIST (6/2019 – 2/2021)

- Communicated player feedback to improve game features and policies
- Provided responsive support to players across multiple gaming platforms and channels
- Created self-service resources, creating FAQs, knowledge base articles, guides

COLORADO DEPARTMENT OF REVENUE

2017-2021

BUSINESS ANALYST (8/2019 – 1/2021)

TAX EXAMINER (5/2017 – 7/2019)
