<https://ryuerck.github.io/cv>

I master what's needed to get things done, blending storytelling and strategy to build community and sell products. With 6+ years of product marketing and operation experience in the gaming and startup industry, I specialize in go-to-market execution and cross-functional project management. I have a proven track record building channel marketing programs, driving measurable growth through data-informed campaigns.

WORK EXPERIENCE

NILO

2025-2026

I joined Nilo to bring it from zero to hero for an open beta launch. Built GTM and sales enablement systems from scratch, reaching 9.5K+ users in 6 months with a team of 3 and \$0 ad spend.

PRODUCT MARKETING LEAD (9/2025 – PRESENT)

- Created end-to-end systems spanning product education, technical support, moderation, events, live-ops, referrals, and go-to-market execution
- Managed project timelines, creative asset delivery, and cross-functional task execution across all New Product Introduction (NPI) initiatives; iterated on 100+ product features using community feedback loops
- Produced marketing materials driving 3.1M views and 9.5K organic users during a closed beta
- Prototyped technical implementations of marketing systems using AI-assisted development workflows

REC ROOM

2019-2025

Grew from Community Support Specialist to Product Marketing Manager, shaping Rec Room's brand across platform launches, original game titles, and 5+ global brand partnerships (NBA, NFL, Mattel, Puma, Paramount).

PRODUCT MARKETING MANAGER (9/2021 – 3/2025)

- Directed Go-To-Market strategies for major product updates and platform launches for millions of users, driving adoption of over 150K+ new users through integrated channel campaigns
- Partnered with C-suite, engineering, and design to produce launch calendars, NPI timelines, stakeholder presentations, OKR briefings, and marketing assets — delivering KPIs that attributed to +16% CCU
- Led and mentored a team of 9 marketing specialists
- Leveraged player insights and community feedback to refine messaging, positioning, and personas

SOCIAL MEDIA MANAGER (2/2021 – 9/2021)

- Grew TikTok to 1M and YouTube to 300K followers with multi-million views per month that contributed to 22%+ in revenue growth
- Hired, managed, and mentored a team of content creators

COMMUNITY SUPPORT SPECIALIST (6/2019 – 2/2021)

- Translated community feedback into actionable product insights; created self-service resources including FAQs, knowledge base articles, and guides

COLORADO DEPARTMENT OF REVENUE

2017-2021

Cross-functional coordination, project management, and process optimization in a regulatory environment.

BUSINESS ANALYST (8/2019 – 1/2021)

TAX EXAMINER (5/2017 – 7/2019)
